

# KATTGUARD™ Roof Hatch Assessment Form

Customer Name: \_\_\_\_\_

Contact Name: \_\_\_\_\_

Project Reference: \_\_\_\_\_

## Roof Hatch Assessment for KATTGUARD™ Aluminum Roof Guardrail System

1. Specify where the ladder/stair is located by placing an 'X' in the red circles. (Please note that the hinge may be on the long side if it is a large roof hatch).
2. If access is different to the orientation of the ladder, please contact FIXFAST.
3. Measure the drip edge on both sides and note the dimensions in the boxes.

A: \_\_\_\_\_

B: \_\_\_\_\_

4. If there is no drip edge visible, please measure the curb (below where the drip edge is shown in the image).
5. If possible, take a photo and submit with this form to [sales@fixfastusa.com](mailto:sales@fixfastusa.com) or upload it to the request a quote form on our website.
