

2nd Annual  
**KATT SAFETY**

**500**

APRIL 1-29, 2022

***PROGRAM GUIDE***

**2500FT**

## **COMPETITION OVERVIEW**

The KATT Safety 500 is an annual sales competition hosted by FIXFAST USA. Being an Indianapolis-based company, we get to witness firsthand the spirit of the Month of May and the Indianapolis 500. We aim to offer the same spirit and opportunity to our customers with the KATT Safety 500 Sales Competition.

The goal of the competition is to purchase as many linear feet of our KATTGUARD™ Roof Guardrail Systems as you can between April 1st and April 29th, 2022. At the end of the competition, the office that completed the most laps around the KATT Safety 500 Speedway wins 4 race-day tickets to the Indianapolis 500 on May 29th, 2022! One lap around the KATT Safety 500 Speedway is 2,500ft. You must complete a minimum of one lap to be eligible to win the KATT Safety 500. For full competition terms and conditions see the last page.

***1 LAP = 2,500 LINEAR FEET***

***1 WINNER***

***4 RACE-DAY TICKETS***

## ***KATTGUARD™ GR31***

The KATTGUARD™ GR31 Internal Wall Mount Guardrail provides the highest level of passive safety for internal wall-mounted applications. KATTGUARD™ GR31 posts are positioned a maximum of 8ft on center. This system is sold in kit form to ensure all components are included for a seamless installation.

## **KATTGUARD™ GR34**

The KATTGUARD™ GR34 Non-Penetrating Guardrail System provides the highest level of passive safety for membrane and built-up roof systems. The KATTGUARD™ GR34 guardrail features a plastic-coated steel weighted base that sits on top of the roofing membrane resulting in a completely freestanding system that is OSHA compliant. KATTGUARD™ GR34 bases and posts are positioned a maximum of 10ft on center. This system is sold in kit form to ensure all components are included for seamless installation.

## **KATTGUARD™ GR36**

The KATTGUARD™ GR36 Surface Mount Aluminum Guardrail is designed for flat roof applications where an alternative to weighted bases is needed. This system is particularly suited for sloped roof projects and applications where higher wind loads, ice buildup, and snow loads are typical. The KATTGUARD™ GR36 system is fastened down with the KATTPOINT™ Anchor System, by Anchor Products. The KATTPOINT™ Anchor, by Anchor Products is supplied with the project-specific roof membrane pre-attached to ensure a waterproof connection and maintain the warranty. The KATTPOINT™ system, by Anchor Products, is approved by all major membrane manufacturers. This guardrail system can be easily customized on-site to suit specific site requirements.

## ***TERMS & CONDITIONS***

Terms and Conditions. This competition is valid for any KATTGUARD™ GR31, GR32, GR33, GR34, GR35 and GR36 Guardrail System purchase order placed between April 1, 2022 7:00 am EST to April 29, 2022 4:30 pm EST and is at FIXFAST USA sole discretion. A minimum of 2,500 linear feet must be purchased within the given time frame to be eligible to receive the competition prize. Should the minimum requirement of 2,500 linear feet purchased not be reached by any account or office location, then no prize shall be awarded. Limit of (4) Indy 500 Race Day Tickets awarded to the winning office. Indy 500 Race Day Tickets will be delivered within (15) business days from the end of the competition. FIXFAST USA reserves the right to supply an alternative gift should the Indy 500 Race Day Tickets become unavailable. The Indy 500 Race Day Tickets are non-refundable and there is no cash alternative.
